

## ASSIGNMENT

WHEREAS, we, \_\_\_\_\_, (hereinafter referred to as "Inventors") have invented certain new and useful improvements in "[type project title here], set forth in Lehigh Invention Disclosure [number here], dated \_\_\_\_\_.

AND WHEREAS, Lehigh University, (hereinafter referred to as "said University") a corporation duly organized, incorporated and existing under the Commonwealth of Pennsylvania and having a place of business at 526 Brodhead Avenue, Bethlehem, PA, is desirous of acquiring or confirming its acquisition of the entire right, title and interest in and to said invention, inventions, or improvements, and in and to any patent applications that may be filed thereon, and in and to any and all patents, both of the United States and of all foreign countries, that may be obtained therefor;

NOW THEREFORE, TO ALL WHOM IT MAY CONCERN, BE IT KNOWN, that we, the Inventors, for good and valuable consideration, the receipt and sufficiency of which we hereby acknowledge, have sold, assigned, transferred and conveyed, and by this assignment do sell, assign, transfer and convey, unto said University, its successors and assigns, the entire right, title and interest throughout the world, in and to our invention, inventions, or improvements described or set forth in Lehigh Invention Disclosure [number here], in any form or embodiment thereof, and in and to any applications filed in the United States or any foreign country based thereon, including the right to file foreign applications under the provisions of any convention or treaty; and in and to any confirmation, divisional, continuation, continuation-in-part, or substitute application which may be filed on said invention, inventions, or improvements in the United States or in any foreign country; and in and to any and all patents, certificates, utility models, reissues, extensions, additions or confirmations thereof which may be granted in the United States or in any foreign country upon said invention, inventions, or improvements TO HAVE AND TO HOLD the same to the full end of the term or terms for which any and all such United States and foreign patents and grants may be issued on said invention, inventions, or improvements.

AND, we do hereby authorize and request the issuing authority to issue any and all of said United States and foreign patents on said invention to said University, its successors and assigns, as the assignee of the entire right, title and interest in and to the same, for the sole use and benefit of said University, its successors and assigns.

AND we do hereby covenant and warrant that we have full right to convey the entire right, title and interest herein assigned free and clear of all licenses, encumbrances and liens whatsoever, and that we have not executed and will not execute any instruments in conflict herewith.

AND we do hereby covenant and agree to and with the said University, its successors and assigns, that we, our executors, administrators, or other personal representatives, will do all lawful acts and things, make all rightful oaths, and make, execute, and deliver any and all other instruments in writing, and any and all further applications, papers, powers, affidavits, assignments, disclaimers, and other documents, which in the opinion of counsel for said University, its successors and assigns, may be required or necessary in this or in any foreign country more effectually to secure to and vest in said University, its successors and assigns, the entire right, title and interest, in and to said invention, inventions, or improvements, application or applications, patents, right, titles, benefits, privileges, and advantages hereby sold, assigned, confirmed, transferred, and conveyed.

IN WITNESS WHEREOF, we have hereunto set our hands on the date indicated below.
