

## Items to consider when completing Other Support, Current & Pending, and equivalent sections

### Institutional Financial Resources

- Internal Awards
- Start Up Funds (from institution(s) other than Lehigh)
- Endowments, and other Lehigh Department/Unit resources provided in support of your research

### External Financial Resources, Appointments, Affiliations, and Commitments

- Paid or Unpaid Appointments
  - All positions, domestic and foreign, included titled academic, professional or institutional and regardless of whether full-time, part-time, voluntary, adjunct, visiting or honorary
- Grants and Contracts for Research
- Consulting Agreements from which research resources are obtained
- Cooperative Agreements for Research
- Fellowship program
- Foreign Talent Program
- Grant or contract issued by a foreign government to a foreign entity
- In-Kind Resources (including office/lab space, equipment, supplies, employees, etc.) at Lehigh University or other institution or entity
- Research Collaboration(s) at another institution that directly benefit your research endeavors
- Other Resources (including, but not limited to, foreign financial support, research or laboratory personnel, lab space, scientific materials, and provision of high-value materials that are not freely available (e.g., biologics, chemical, model systems, technology, etc.))
- Projects and Activities not already included above if the project or activity supports your research

Lehigh Faculty are responsible for ensuring that their Other Support, Current & Pending or other Agency's equivalent are accurate and complete.

Lehigh Faculty are also responsible for considering changes to any of these areas from time of proposal to award and at time of progress reporting. If any change occurs, these must be updated within the progress report.
