

UPCOMING EVENTS

FALL 2022

SEP
07

INTERNAL GRANTS WORKSHOP

Join us 12-1pm on Zoom where we will discuss all of the seed funding programs available through the Office of Research and offer tips for succeeding. New faculty are particularly encouraged to attend.

SEP
09

IRB 101

Research Integrity staff will provide an overview of IRB policies & the review process. For students new to conducting human subjects research, as well as faculty and staff interested in learning more about the Lehigh IRB.

SEP
20

PIVOT TRAINING

PIVOT is one of the most widely used grant-searching tools in higher education, capable of searching available/awarded grants and providing funding alerts/newsletters for research teams. Learn how to get started.

SEP
23

USING IRBNET

Learn about using IRBNet for submitting research protocols for IRB review. Ideal for faculty, staff and students new to using IRBNet, as well as experienced submitters with specific questions on the online submission process.

SEP
27

WRITING A TRADE BOOK

Danielle Lindemann and Dominic Packer share recent experiences on non-academic book writing - from writing a proposal, finding an agent, working with your publisher to promoting your book.

NOV
02

EARLY CAREER GRANT OPTIONS

Join us for a panel on grant mechanisms open to early career faculty including NIH MIRA, NSF Career & DOD. Johanna Kowalko (Biol Sci), Esther Lindstrom (Spec Ed) & Nader Motee (Mech Eng) share their experiences and strategies for success.
